The Village at Mendota Heights is a master-planned 23 acre redevelopment site that includes a mix of residential, office and retail uses. Single story retail buildings front Highway 110. Two story buildings surrounding the "Market Square" have retail on street-level with office above.

The housing component includes 36 loft style condos, 39 row homes and 60 senior apartments. The Village at Mendota Heights integrates lifestyle living, shopping and working into a cohesive village.
