The Village at Mendota Heights is an award winning master-planned 23 acre redevelopment site that includes a mix of residential, office and retail uses. Single story retail buildings front Highway 110. Two story buildings surrounding the "Market Square" have retail on street-level with office above.

The Village has over 87,000 square feet of retail and office space and 404 on-grade & underground parking spaces. The Village has received five prestigious awards including the 2006 and 2009 STARR Award for Mixed Use as recognition for excellence in the Minnesota retail and shopping center industry.

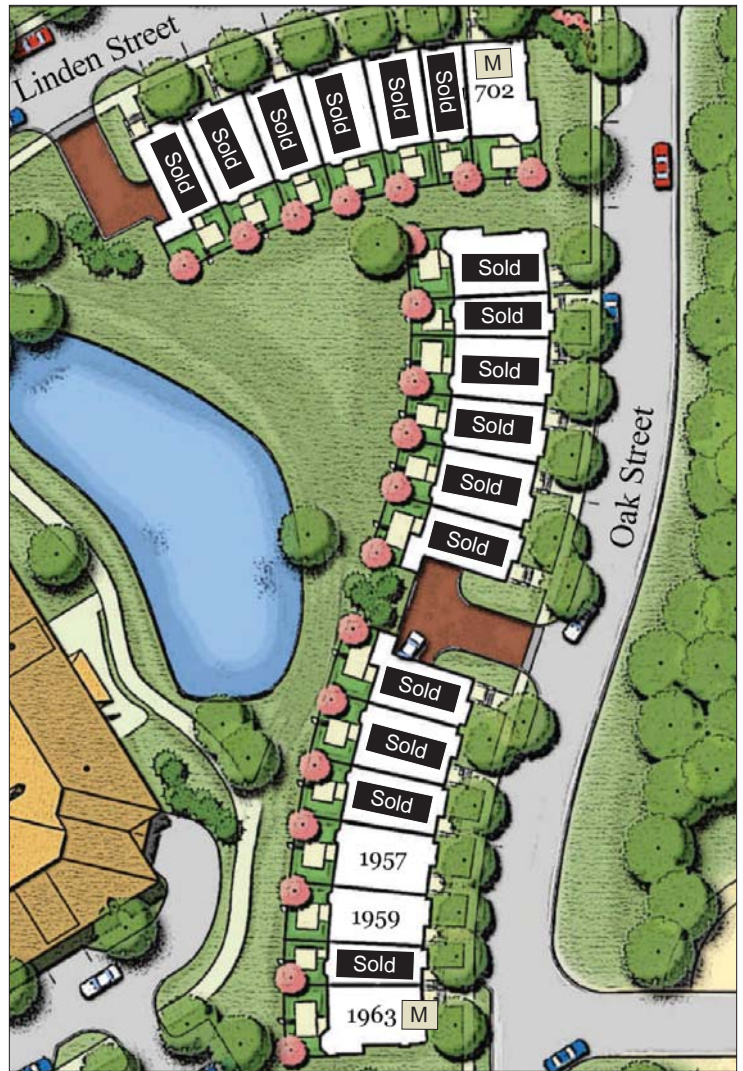

The housing component includes 36 loft style condos, 39 row homes and 60 senior apartments. The Village at Mendota Heights integrates lifestyle living, shopping and working into a cohesive village.
